

This topographic map depicts a residential neighborhood. A large, irregularly shaped plot of land is highlighted in yellow and outlined with a thick black dashed border. This plot is densely populated with small circular symbols, each containing a numerical value representing ground elevation. To the west of this plot, several red rectangular shapes represent existing buildings. A network of roads is shown, including 'L 543 Eickumer Straße' running horizontally across the middle-left, and 'Kantienweg' running vertically along the right edge of the yellow plot. Other nearby streets include 'Belzweg' and 'Eickumer Straße'. The map also shows various contour lines and smaller numbered plots (e.g., 671, 342, 339, 338, 340, 564, 581, 344, 345, 372, 336, 332, 356, 187, 197, 198, 351, 363, 365, 366, 370, 578, 540, 577, 69, 71, 644, 1115, 252, 66, 68, 646) scattered throughout the landscape. Some areas are labeled as 'Gemarkung Jöllenbeck Flur 9' and 'Flur 10'. A pink line runs diagonally from the bottom left towards the center-right of the map.
